

This year “*friends of Clark Fisher*” started the **Clark E. Fisher Memorial** to honor our friend. This is the first tournament, which we hope is only the start. We want to make it an annual event. Clark loved many things, but a few of the most important were family, friends, the outdoors, and volleyball. We would like the Annual Kingfisher Open Tournament to be full of fun with family and friends.

Please plan to join in on the fun and help to raise donations in Clark’s name to donate to the “*Cancer Patient Help Fund*,” a local York County organization, and “*Lung Cancer Foundation of America*.”

You can contribute to this worthy cause by sending your check (make payable to “Clark E. Fisher Memorial”) to:

Michael & Ryan Fisher

Sept. 7, 1961 - Nov.12, 2009

Clark E. Fisher, an athlete and a non-smoker, was diagnosed with lung cancer in early 2009. On November 12, 2009, he lost his battle with this disease.

For over twenty years, Clark was an avid volleyball player and coach. His sons, Ryan and Michael,

also developed a passion for the game. They played at York Suburban High School, club leagues and in college. And many times, with their dad.

To honor his memory, friends of Clark Fisher started the Clark E. Fisher Memorial and the 1st Annual Kingfisher Memorial Volleyball Tournament. We hope to make this an annual event. Clark loved his family, friends and volleyball, so we’ve decided to bring together all the people and things that were important to Clark with the goal of helping other cancer patients. The proceeds raised at this event will be donated to the “Cancer Patient Help Fund” and “Lung Cancer Foundation of America.”

Please join us in raising money to help other cancer patients and fund lung cancer research through the Clark E. Fisher Memorial. We want people to know that lung cancer is not just a smoker’s disease.

“Volleyball created a special bond between my dad, brother and me early in life. The love that we had for the game brought the three of us together like best friends. We spent countless hours peppering in our backyard, traveling to tournaments around the country and setting the net up on weekends to play doubles. The memories I have with my Dad and the times we’ve spent on the court I’ll cherish forever. The Kingfisher Open will continue his legacy and his love for the game. My brother and I are sincerely thankful to everyone participating in the event and making it possible. Let’s not forget the bonds volleyball has brought to us all.”
